Exploded view diagram of the fuel filter piping assembly. The diagram shows the fuel filter, various hoses, clamps, and brackets. Numbered callouts (1-81) identify individual components. A parts list at the bottom of the diagram shows small images of parts 26, 27, 28, 30, 31, 60, 63, 76, and 81.

Diagram showing the exploded view of the front seat frame assembly. The main assembly includes the seat pan (1), backrest (2), and various structural components (3-15). Callouts A, B, and A+B indicate specific sub-assemblies. A parts list at the top identifies components 30, 31, 41, 32, 33, 34, 35, and 36. A smaller parts list at the bottom left identifies components 37, 38, 39, and 40. The diagram is labeled 'P9225-0A' and '07/87'.

Exploded view diagram of the front seat frame assembly. The diagram shows various components including the seat base, backrest, springs, and adjustment mechanisms. Key parts are numbered 1 through 40. Sub-assemblies are labeled A, B, and C. A reference code [6787] and part number P922525A are visible at the bottom of the diagram.
